

Project Scope & Investment Options

Trips to Russia — Custom Website for Indian Travelers

Prepared for: Sveta (Indosvetka) Prepared by: Sanchit Rishi Contact:
sharmasanchitrishi@gmail.com

Reference Context

These options are designed around the four reference sites you shared:

Reference	What We Draw From
discover.moscow	Visual language, card-based layouts, bold typography
russia.tours	Tour package structure, pricing display, testimonial patterns
discoverrussia.travel	"Plan your Trip" structure (Visa, Safety, Transport, Weather)
discoverrussia.ru/en	Cultural storytelling tone

Option A — Foundation

₹45,000

What you get:

All essential pages live and functional.

Deliverable	Details
Multi-page routing	Home, Trips, Visa, About Me, Partner with Us — separate pages
Brand identity	"Trips to Russia" + "by Indosvetka"
1 featured trip page	Full itinerary, pricing, booking CTA
Visa information page	E-visa process, requirements, add-on option
About Me page	Your story, photo, contact
Partner with Us page	B2B enquiry form for Indian travel agents
Contact form	Enquiries delivered to your inbox

Deliverable	Details
SSL / HTTPS	Included in production deployment
Responsive design	Desktop-first, mobile-optimized
Post-launch support	14 days bug fixes + basic training

Timeline: 2–3 weeks after content received

Option B — Recommended ← Best Value

₹65,000

Everything in Option A, plus:

Feature	What It Means For You
Typography from your references	Fonts inspired by discover.moscow and russia.tours — your site carries the same premium look
Useful Tips section	Curated tips (weather, packing, Indian food, safety) — builds trust, saves you answering the same questions
One-tap WhatsApp sharing	Visitors share trips on WhatsApp with one tap — your best free marketing channel
Trust badges footer	Certifications, ratings, "Registered Tour Operator" — visible on every page. Instant credibility
Subtle scroll animations	Smooth fade-in effects as pages load — feels polished without slowing down
Extended support	30 days (vs 14 in Option A)

Why this is the sweet spot:

For ₹20,000 more than Option A, you get reference-matching typography, a dedicated tips section, WhatsApp viral sharing, and trust signals. These directly drive bookings — not just decoration.

Timeline: 3–4 weeks

Option C — Expansion Ready

₹85,000

Everything in Option B, plus:

Feature	Why It Matters
Multi-trip architecture	Adding Trip 2, Trip 3 costs 30 min each — no rework
Full tips article system	Multiple pages (Visa Guide, What to Pack, Indian Food, Currency) — each an SEO entry point
CRM-ready form pipeline	FormSubmit → Zapier/Zoho — enquiries auto-enter your system
Photo gallery	Image grid for each trip — visual storytelling
Basic news section	Announce tours, share updates — builds SEO over time
RU/EN language prep	Bilingual toggle ready — activate with content later
Extended support	60 days + content update help

Timeline: 4–5 weeks

Next Step

Choose the option that fits your current stage. Option B is what I recommend for a launch that feels premium and converts visitors.

Once you confirm, I'll send the one-page Agreement and kickoff invoice.

All prices in INR. Final scope confirmed upon written agreement.
